INTER-OFFICE MEMO

DEPT.: Middle Atlantic Region

TO: Andrew Knowlton - WHRC

SUBJECT: Regional Meeting

FROM: Edward Kelty
Regional Repres.

DATE: June 5, 1948

FILE: I 37.3

Thanks for sending a list of WHRC's new officers in your May sixth letter to New York. I think the questions you asked can be answered best at the next regional meeting. It will be held in New York, June 12 and 13. The meeting will begin at 1:00 P.M. Saturday in the Hamilton Annex Studios of WKCR.

It is very important to have each station in the region represented. Rutgers has just announced that it is leaving IBS. Therefore the other stations should work together more than in the past.

At the meeting this weekend, I will have details on the new national sales award plan.

Please return enclosed questionnaire immediately!
